THE KLINKER REUNION OF 2005

Held June 26th, 2005 at the Fire Station on Lahmeyer Road, Fort Wayne, Indiana

Since no list of those attending was made at this reunion I will try to list those that I can remember or of whom ended up on my pictures. Perhaps the list was not made because Deb was ill and could not make it. She was leading the pack this year with the reunion. Or was it Roger?? Well, anyway suppose Deb was doing all the work until she became ill and landed in the hospital. She was at home this day and recovering, but not enough to come to the reunion.

It was a hot day as most of those were in the month of June in the year 2005. At least we were in the midst of a hot streak.

Here is the list I can remember:

ILENE (OHLER) GILLEN
Ilene's friend – Mom said this was Chalmer's widow, JOAN OHLER
HELEN (KLINKER) MARQUART
MAJOR KLINKER
PAULINE KLINKER
One of their sons (I do not have the name) with his wife and child
ROGER KLINKER
BARBARA KLINKER
HAROLD OHLER
LOUISE (KLINKER) KAISER
LUCILLE (KLINKER)
LARRY
EARL KLINKER
MARCIE KLINKER
IRENE (KLINKER) DENEVE
MARY (DENEVE)
MARY'S HUSBAND
AL DENEVE
JOAN (DENEVE) GROSSMAN
FRED GROSSMAN
JULIE'S CHILD
BEVERLY ANN (KLINKER)
MARY (KLINKER) BROWN
LOIS (BROWN) MUELLER
BETTY (BROWN) FITCH
SCOTT MUELLER
CAROL MUELLER
RALPH KLINKER, JUNIOR
DANIEL OHLER
DANIEL'S WIFE
HALICE (KLINKER)

There were several others there that I don't have written above because I either missed them or don't know their names or where they fit into the family. Perhaps Helen could tell me who else came and I could redo this list.

But since I don't think that any minutes of any of our meetings or reunions have been done, I think that I will add what little was done at this meeting. Perhaps someone has been keeping minutes, but if so I am not aware of it. Perhaps Margaret Ann might have at some time in the past.

At the meeting it was decided that we would meet at the same place next year probably with Roger and Deb in charge again. I don't know that anything else was changed. They took up a collection to give the Fire Department a donation for the use of their place. And mom brought up the fact that when she "goes" she doesn't want flowers from the family. She wants the money donated to the Rescue Mission or some charity like that. Others agreed that was a good idea and that perhaps it could be done for all rather than a floral arrangement that would not last long. They probably don't realize what the floral arrangement meant to me when you died. I used it for several years on the piano and then Carol has it now. And that was 5 years ago. But a floral arrangement that I would keep when mom passes on would not mean the same thing at all so I have no objection to the giving of the money to charity. It probably depends on just who it is that dies and who is left that will take the donation. I agree that real flowers are of little value to anyone, not to the one who died, and not usually to the ones left.

As I remember that was about all of the meeting that we had and that all of the information was to be relayed to Deb.

Dear Everyone,

When I think of my Klinker family getting together for a 51st Reunion, I realize how significant an occasion like this truly is in our current culture. For many families either thru neglect, indifference and or with the difficulties of a mobile world, this is not happening.

I am sorry I cannot be with you, but it is with pride and pleasure, I will think of all of you, sharing good food, fun, and sweet memories.

Hi, Aunt Helen
Hi, Aunt Irene

God's blessings,
doris Stresser
(Sadie Longardner's
daughter

Dear Deb. 6-10-2011

Just a note to Thank you for the invitation to the Klinker Reunion. Floyd has been gone 12 yrs since Jan 20-1999 & I no longer drive. You have my permission to remove my name from your mailing list.

I see you had my current address. I moved here 4½ yrs ago & sold the big house that was too much for one person. Our 8 children are scattered from Coast to Coast & only one is near here (Anita & Ralph Diehl) at Waterloo. She is a great help to me. I am in purtty good health for a 89 yr old. and enjoy this assisted living Manor, meals served in the dining room, and other activities we can participate in. The nice part is we can be with people as much as we wish or alone in our apartment if we wish. I have never regretted the move here even one day.

My Best Regards to all

Eva Coleman

1946-49 Reunion at Weiser Park, Fort Wayne, Indiana

A couple of the early reunions were held at Weiser Park. I don't know that they were called reunions as we consider 1961 the first year for the reunion. However, it was a coming together of many of the Klinker clan. There is no official list of names and all I can go on is from the pictures of that get-together.

In the pictures:

Grandma Hattie Klinker	Harry & Esther Klinker	Sadie & Freeman Longardner
Homer & Beatty Klinker	Raymond & Hazel Klinker	Pearl & Forest Ohler
Ralph & Lena Klinker	Mary & Guy Brown	Ernest & Donna Klinker
Irene and Frank Deneve	Maxene & Al Deneve	Helen Klinker

Betty Klinker	Ralph Klinker, Jr.	Betty Brown
Lois Brown	Terry Klinker	James Klinker
Beverly Klinker	Lena Sappenfield	Russell Sappenfield
Russel's wife & daughter	Ben & Minnie Klinker	

Those that seem absent from this reunion are all of Sadie's children, Roger Klinker, Dorcas Klinker, Harold Ohler, John and Richard Deneve. The younger ones may have been present, but were not in any of the pictures. If the baby held by Norma Ohler is Garth Ohler then it sets the date of this reunion as 1947 as Garth was born and died in that year.

1946-49 Reunion at Weiser Park, Fort Wayne, Indiana

A couple of the early reunions were held at Weiser Park. I don't know that they were called reunions as we consider 1961 the first year for the reunion. However, it was a coming together of many of the Klinker clan. There is no official list of names and all I can go on is from the pictures of that get-together.

In the pictures:

Grandma Hattie Klinker	Harry & Esther Klinker	Sadie & Freeman Longardner
Homer & Beatty Klinker	Raymond & Hazel Klinker	Pearl & Forest Ohler
Ralph & Lena Klinker	Mary & Guy Brown	Ernest & Donna Klinker
Irene and Frank Deneve	Maxene & Al Deneve	Helen Klinker
Halice Klinker	Major Klinker	Darrell & Lela Klinker
Chalmer Ohler	Ilene Ohler & Bob Gillen	Norma Ohler
Glenn Ohler	Earl Klinker	Orpha Klinker
Delores Deneve	Harold Klinker	Margaret Ann Deneve
Joan Deneve	Louise Klinker	Lucille Klinker
Betty Klinker	Ralph Klinker, Jr.	Betty Brown
Lois Brown	Terry Klinker	James Klinker
Beverly Klinker	Lena Sappenfield	Russell Sappenfield
Russel's wife & daughter	Ben & Minnie Klinker	

Those that seem absent from this reunion are all of Sadie's children, Roger Klinker, Dorcas Klinker, Harold Ohler, John and Richard Deneve. The younger ones may have been present, but were not in any of the pictures. If the baby held by Norma Ohler is Garth Ohler then it sets the date of this reunion as 1947 as Garth was born and died in that year.
